Invitation Letter

The Embassy of Turkmenistan presents its compliments and has the honor to inform interested representatives of international organizations, academic institutions, research centers, and the scientific community that the Academy of Sciences of Turkmenistan will hold an international scientific conference in a hybrid format entitled “Science, Technology and Innovation in the Period of the Revival of the New Epoch of the Powerful State”, dedicated to Science Day of Turkmenistan, on June 12-13, 2026, in the city of Ashgabat.

The main purpose of the conference is to promote the exchange of information on scientific achievements, share professional experience, and foster the development of international scientific cooperation.

Detailed information regarding the conference program and organizational matters can be found at:

<https://science.gov.tm/news>

The Embassy of Turkmenistan has the honor to invite interested participants to take part in the above-mentioned international scientific conference and to contribute with presentations, including participation in plenary and thematic sessions.

Participation in the conference will contribute to strengthening scientific ties, expanding mutually beneficial cooperation, and enhancing dialogue between scientific communities at the international level.

Interested in participation and making presentations sides are kindly requested to submit their reports or presentation materials to the Conference Organizing Committee by the end of March 2026 at the following e-mail addresses:

conference.tkm.june2026@gmail.com

conference.tkm.june2026@sanly.tm

The Embassy of Turkmenistan avails itself of this opportunity to renew to all concerned the assurances of its highest consideration.

Attachment: Conference call

Embassy of Turkmenistan
